

2011 CTRC-AACR
San Antonio Breast Cancer Symposium

December 6 - 10, 2011

Henry B. Gonzalez Convention Center
200 E. Market Street, San Antonio, Texas 78205

Meeting Goals/Purpose

This symposium is designed to provide state-of-the-art information on the experimental biology, etiology, prevention, diagnosis, and therapy of breast cancer and pre-malignant breast disease, to an international audience of academic and private physicians and researchers.

Target Audience

This international symposium is directed primarily towards academic and private physicians and researchers involved in breast cancer in medical, surgical, gynecologic, and radiation oncology, as well as other appropriate health care professionals.
