

## CANCER CENTER COUNCIL

In Support of The Cancer Therapy & Research Center  
at the UT Health Science Center San Antonio

### **Partners Shopping Card**

Based on a strong history (over \$2 million in past pledges), the Cancer Center Council board approved a new 10-year pledge of \$1 million in December 2011 to establish the Cancer Center Council Distinguished Chair in Oncology. Funded by Partners Shopping Card (PSC) proceeds and designated donations, we are already well ahead of our payment schedule. This expedited schedule is due in large part to the generosity of PSC underwriters (who allow 100% of the card sales to benefit the CCC), over 360 retail partners (who offer 20% discounts during a 10-day window October 21-30, 2011), and countless members of the community (who buy a card at \$50 and enjoy fabulous shopping opportunities).

To kick off this year's Partners Shopping Card season, the CCC leadership, including board member Lauren Stanley, owner of [Big'z Burger Joint](#), hosted a reception on September 13 in appreciation of our retail partners. One of our most staunch retail supporters, Leslie Ann Rice with [Rustic Gallery](#), gave fellow PSC retail partners a "lesson" in how to promote the cards for their own and each others' benefit while aiding the CCC in raising funds.
